Attached is a PDF of all the stations in Marion, Polk and Yamhill radio, TV & Cable. THERE IS A VERY GOOD CHANCE this will be going out to most if not all households in our area at no cost to you.
I NEED A APPROVAL to use your logo. Without it I will remove your logo (this is good way to inform your audience who you are) I NEED YOUR RESPONSE BY 11/4/2005.

I know many of you furnished you logo but still drop me an e-mail so I can have it on record.
NO MATTER if you want to have your logo or not PLEASE check the information to make sure I have the information correct since this information will be used in the mailing since it public information.

I will be posting this on the web as well if that makes a difference to your legal department.

Ken

FM 90.1 KAJC

Mr. Kenneth Lewetag, As we discussed, you may use the KAJC logo as it appears on the www.kajcfm.org website for identifying stations in the local operational area of the Emergency Alert System. Michael Mattson, Manager, KAJC 90.1 FM, 1399 Monmouth St., Independence, OR 97351, 503-838-2476, kajc@kajcfm.org, www.kajcfm.org

FM 94.3 KPIE

Hi Ken, You have my permission to use the KPIE logo on your sheet of stations to listen to in case of emergency. Thanks, Fred, KPIE-LP, WVI WEBMAIL - <http://www.wvi.com>

FM 95.1 KSND

Ken, Looks good to me. Let me know if you need a better quality logo. BTW, my Endec power supply seems flaky. I have ordered a new one. Regards, Ernie Hopseker, KSND

FM 102.9 KPIK

Hi Ken, KPIK is a corporation (Santiam Community Radio Corp.) I am the president. I do the weather programming, spots, Kpicks Talent Picks, Fuzzy's Golden Memories, practically everything. You did a great job on the EMERGENCY ALERT SYSTEM INFORMATION sheet, thanks for sending it to me. All the best. Gary Zolkoske

TV Ch 22 KPXG

You have our approval to use the 'i' independent logo, but we need to be identified as 'i' network, not PAX. We will no longer be using PAX anywhere. Thanks Ken! Mary Pierce, Traffic Mgr., KPXG-TV Ch 22, Portland Oregon, office 503.450.1381, fax 503.222.4613, marypierce@paxson.com

Cable Ch 3 Charter

Due to my travel schedule yesterday I was unable to respond to this email. Unfortunately we cannot allow the use of our logo in this situation. Sorry for any confusion. Linda Kimberly General.

As far as the question of which channels to tune to on our systems, all channels will display the EAS information during an alert. Please let me know if I can be of further assistance. Jim Billings
